## Class LF Newsletter Autumn 1<sup>st</sup> 2018

Thursday 6<sup>th</sup> September

Dear Parents/Carers of Class LF,

Welcome back! I hope that you had a lovely summer break and are ready for our exciting first topic 'Gallery Rebels!' I am really looking forward to the year ahead and I hope you are too! Each term, we shall write to you telling you news about events we are involved in and what we have been learning about. For our first class newsletter, we will be outlining some important information about our new class.

Miss Orton will teach the class on a Friday afternoon when I am out of the classroom. Mrs Cobley and Mrs Cubitt will also be supporting Class LF this year.

### This Term's Learning

Our topic this half term is called 'Gallery Rebels.' During the half term, we'll talk about the features of artwork and sketch our favourite pieces. We will research important 19<sup>th</sup> and 20<sup>th</sup> century artwork and describe a chosen piece in detail. We'll locate art galleries around the world and calculate how much it would cost to get there. We'll create pieces of art inspired by well-known artists and express ourselves through poetry, stories, music and painting. This is a cross-curriculum topic that will weave in all curriculum subjects.

To 'hook' the children into the topic we have planned an exciting science experiment to find out the identity of the art thief in school! The 'outcome' of our topic will be to share our art portfolios with our buddies.

### Home Learning:

- ❖ Home learning books will be given out on a Friday and will be expected to be handed in by Wednesday.
- ❖ A topic home learning sheet will be stuck in your child's home learning book. As in previous years, the children will be asked to choose a set number of activities to complete over the half term. For this half-term only, children should use their 'portfolio' to record their topic home learning activities.
- ❖ A copy of the week's maths and literacy activities will be stuck in the home learning book.
- ❖ If home learning cannot be completed and handed in on time please ensure that you have either emailed me or written a note in your child's diary explaining the reasons, ideally before Wednesday.
- ❖ Books that are handed in on time will be marked and returned on a Friday. Books that are late will be marked the following week.

- ❖ If home learning is late without a valid reason then there will be a sanction. If it is not handed in the following day, then they will have to complete the work at lunchtime under the supervision of a teacher. If home learning is repeatedly handed in late or not completed to an acceptable standard the Headteachers will be informed.
- ❖ Spare home learning sheets are kept in the 'homework' tray in the classroom.
- ❖ It is your child's responsibility to enquire about/collect any home learning that they have missed if they have been away.
- ❖ Maths home learning will either be a puzzle, game, challenge, investigation or a worksheet, online activity etc. Workings are to be completed in home learning book.
- ❖ See home learning policy for further information.

### Reading:

- ❖ There will be a weekly guided reading lesson where the children will have the opportunity to read and discuss a text with an adult and their peers in a group. Children will read 1:1 with an adult as regularly as possible. In addition to this, children will read to themselves on a daily basis.
- ❖ Our class book this half term is 'Framed' by Frank Cottrell-Boyce
- ❖ Over the coming days the children will be choosing a new school book in line with their end of year assessment. We will monitor and review this to ensure they are appropriate. Please note that we are looking for a good level of comprehension, not just being able to phonetically read the words.

### General:

- ❖ Children come into school and leave via the library door.
- ❖ Your child will need the following stationery: a black handwriting pen, a red biro, pencil, rubber, sharpener, glue stick, dry-wipe whiteboard pen, ruler and colouring pencils. Space on tables is limited so please ensure that pencil cases are 'appropriately-sized'. Your child may prefer to keep their colouring pencils in a smaller pencil case in their trays.
- ❖ Our PE days are Monday and Wednesday - please ensure children have the correct kit and footwear. (However, sometimes there are changes to the timetable so PE kits need to be in school all the time)
- ❖ No jewellery is to be worn for PE lessons
- ❖ Children may wear a watch and a pair of small silver/gold stud earrings for school - no bracelets
- ❖ No makeup (including tinted lip balm and nail varnish) is to be worn
- ❖ Hair is to be tied up (with an appropriate coloured and sized hairband) at all times during the school day.
- ❖ Your child should bring in a piece of fruit or vegetable to enjoy during story-time.
- ❖ Your child will also need a named bottle filled with water every day.
- ❖ We will check and sign diaries every Wednesday. As many of you may be aware, parents/carers signing the diary is a requirement at secondary school so it is important to get into this routine now. Your child should be asking you to sign the diary before Wednesday.

#### Parent/Teacher communication

You can find me on the playground every Tuesday and Thursday from 8.45am should you need a quick chat. I am also available directly after school (clubs/meetings permitting). If you require a longer meeting with me to discuss concerns or issues regarding your child, please make an appointment to see me by contacting the school office or sending me a quick email. Please note that my email address should only be used for brief enquiries and is not an effective way to address concerns or issues. I will aim to respond to short emails within the hours of 3.30pm and 6pm weekdays. Thank you for your support with this.

I hope that you have found our first newsletter informative. If you have any questions you can email me, write a note in your child's diary or see me in the playground before or after school.

I look forward to seeing you soon.

Yours sincerely,

*Miss L Fletcher*
