Eagles Class Newsletter Summer 2nd 2026

Monday 1st June 2026

Dear Parents/Carers of Eagles Class,

I hope you all have a restful and relaxing half term break — the children certainly deserve it after such a busy time! Hopefully, we'll be ready and raring to go with lots of exciting activities planned for the final weeks of the school year.

Last half term was a bit of a whirlwind, but I am absolutely amazed and so proud of all the children for their incredible attitude and effort towards their SATs. They showed such resilience and determination throughout the weeks leading up to SATs and the week of and it truly paid off!

Although SATs preparation is now behind us, we're certainly not resting just yet. We have a busy and exciting seven weeks ahead, packed with wonderful events and activities. We have the much-anticipated residential trip and of course, the Year 6 play, 'The Wrong Way Round.' A big thank you in advance for all the evenings spent listening to songs and practising lines at home — your support makes all the difference.

This half term, we are continuing with our exciting topic — Project Runway! This unit focuses on Fairtrade, fast fashion, and getting creative with sustainability. Our young designers will be researching the impact of fashion on our world, exploring ethical alternatives, and then... creating their very own upcycled garment!

The fabulous finale will be a Project Runway Showcase, where children will strut their stuff on the catwalk in their upcycled creations.

Alongside Project Runway, we'll be diving into the rich history of South America, learning about the fascinating ancient civilisations that once thrived there.

Thank you so much for your continued support with the Year 6 play rehearsals — those nights of listening to songs and practising lines really do help build confidence and make the performance shine. And if you can encourage your young designers at home with their Project Runway ideas and creativity, that would be amazing too!

Thank you for being such a wonderful part of this exciting end to the year!

Home Learning:

Children should be practising their lines for the school play and completing activities set on Century. We will be going through this in class so the children should be able to log on independently at home.

Reading:

We put a big emphasis on reading in school and ask that this

be a real priority at home too. We have fantastic discussions about our class texts in the classroom and the pupils get so much more from their reading if they have time to talk about it.

Please remember to sign the reading diary to show that your child has read 5 times in the week and bring this in on a Monday to be checked by teacher.

General:

- ❖ Children to arrive at 8:40 to complete Early Morning Work before the register close at 8:50.
- ❖ Our PE days are Tuesdays (outdoors) and Fridays (outdoors) – please ensure children have the correct kit and footwear. (However, sometimes there are changes to the timetable so PE kits need to be in school all the time)
