

CAMP EPIC

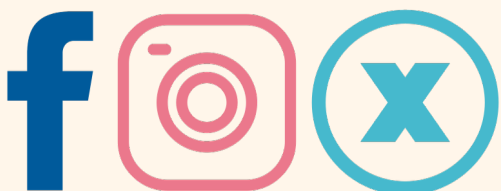

Downham Primary Coming in September 2026

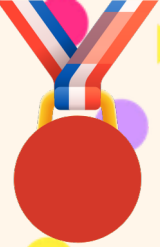

EVERYTHING TO KNOW!

WWW.CAMPEPIC.CO.UK

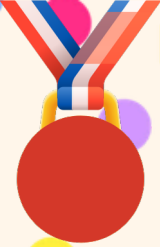

What is Camp Epic

A long time ago, in a galaxy far far away, there was a soccer school in Grays.

We often had peoples siblings or children who were not interest in football and this lead to bringing in colouring in and lego and eventually we ended up with bouncy castles and go karts and it wasnt really a soccer school anymore.

After years of running a successful holiday club we ended up running more camps. But being open only 12 weeks a year wasnt epic enough so we started wraparounds at primary schools, which we are now bringing to Downham. Downham will be the 10th School that we have set these up

What is happening

In September we are going to be running our Healthy Hearts Breakfast clubs from 7.45am and our Camp Epic Lates after School clubs until 6pm.

Each slot will bring our truly Epic Move:Create:Play ethos to the school, with a designated sports coach and site manager, both of which worked together with the children to create a truly magical place for children.

We believe our clubs should be a place children want to go, not where parents need them to go. The fact parents need them is just a bonus.

Both Healthy Hearts and Camp Epic lates will have a 15 space limit to start.
