Dear Parent or Guardian,

I am happy to announce that we have spaces available in our **LAMDA Acting & Public Speaking Club!** Sessions take place on **Tuesdays from 3:15pm to 4:15pm** and are delivered by The Drama Centre.

Students thus far have had a chance to learn new skills, rehearse scenes and monologues, and work on their own written speeches! I have personally seen them begin to grow in their confidence and communication skills.

Whether your child could use a boost of confidence, or is already centre stage, these skills will not only support them in their education, but throughout their lives and careers.
